

Surrey Minor Hockey Association 2008-2009 Registration Information

In compliance with Hockey Canada, All Surrey Minor Hockey returning players **MUST** register online with the Hockey Canada Registration Program (HCR).

From April 1st, 2008 to May 1st, 2008 you will be required to register your child(ren) online and then mail in your payments with the accompanied documents requested during the registration session. At this time we will **NOT** be able to process credit card payments but that is an option that we can add in the future. The fee schedule is on the reverse side. Parents will be able to register online from any internet connection, whether it is at home, office, library or school. **Please note*** you will have to print at the end of the session so please ensure you have printing capabilities. Online registration will automatically update the HCR program and eliminate many tedious administrative tasks and stresses that come with our current way of conducting registration. **ALL RETURNING REGISTRATIONS** will be carried out in this fashion. There will be no in person registration this year.
